FABRICS & TRIMS

We have a wide selection of over 500 beautiful fabrics ranging from 100% silk to cotton/acrylic/polyester blends. Fabrics are hand selected to insure only the best materials are used.

Each fabric has its own distinctive design and texture, with patterns of plaids, tapestries and prints. Fabrics add a dimension of their own from a playful design to a velvety texture. Fabric has become a popular choice for many of our furniture styles. The right fabric or combination of fabrics can tie a room together perfectly with a decorative element or match one's personality with its unique style.

We offer an array of top performance fabric options. In addition to superior stain resistance, these fabrics also offer UV & Fade Resistance, Anti-Mildew, and easy cleanability.

Accessorize your design with decorative trims. Like jewelry, fringe can add pizzazz to your chairs, sofas, and even pillows for a fashionable look. Our extensive array of fringe and cords encourages creativity, so have fun trimming!
